Dear Mr. Perrotte:

I am in receipt of your letter of September 4, 2001 and the accompanying letter "A Message To The Newcomer". I was quite moved by "A Message To the Newcomer" and feel its powerful message. I am ordering 500 copies of this to be handed out in all of the halls at the Betty Ford Center to anyone who has used drugs and/or alcohol, and driven or anyone who might be in a place to do that, in hopes that they too will hear your message.

It grieves me to realize the price that you had to pay in order to be a credible messenger. My hope and prayer is that you will persevere while remaining in prison and be released as early as possible.

Yours truly,

Alan J. Massey  
Director of Inpatient Services
