Dear Mr. Perrotte:

Thank you for your letter dated April 6, 2001 in which you shared your tragic and unfortunate story with us. I commend you for your efforts.

It is my intention to pass along your letter to our Player Development Manager, who may decide at some point during our 2001 NFL season to share this information, by way of a handout, with our rookie and first-year players. It certainly is an important message to share.

Thanks again for taking the time to tell us your story in the hope that others may not make similar mistakes. May God bless you and your family.

Sincerely,

A handwritten signature in blue ink that reads "S. Gerrish".
